

Director's Message: Moving Forward

The Cahoon Museum of American Art is an extraordinary organization with an exemplary permanent collection, an important annual exhibition schedule with programs and services that complement both. After more than 26 years of serving the community, we're taking a moment to reflect on our past, contemplate the present and look towards the future.

As the museum celebrated Ralph Cahoon's 100th birthday, we continue to display our premiere Cahoon collection, accompanied by a comprehensive collection of American art on Cape Cod that spans from the 19th century to the present. Our exhibition schedule will spotlight many talented contemporary Cape artists, accompanied by related programs for the quality exhibitions coordinated by our incredible staff, which continues to provide top rate services to our members and the community as a whole.

We're also excited to move forward with our new building campaign, which will expand the Cahoon Museum of American Art to better serve our collection and our patrons. We will be adding new galleries, state-of-the-art storage rooms for the permanent collection, a new lobby with elevator and stairwell, and an art classroom, as well as expanding and improving museum parking and the landscaping of our grounds.

In order to fully realize these improvements to our museum, as well as maintain our high quality of curation and service, we need your support. With your financial support, we can expand our calendar of exhibitions and programs, as well as our array of services and activities, with the same level of excellence for which the Cahoon Museum of American Art is known.
